

## Class Targets

The children in Hedgehog class have been given an individual literacy (writing) target.

We have also set two maths class targets for all the children to work on at home.

Please send in some examples of the work completed with your child so we can celebrate their learning in class.

### Number

Can you find one more and one less from numbers up to 10. Eg what is one more than 4? Answer 5. What is one less than 8? Answer 7.

Extension Activity: To find one more and one less using numbers up to 20.

### Shape/Space/Measure

Can you use everyday language related to time? Eg past, present, future, yesterday, today, tomorrow)

Extension Activity- can you tell the o'clock times?

### Reading

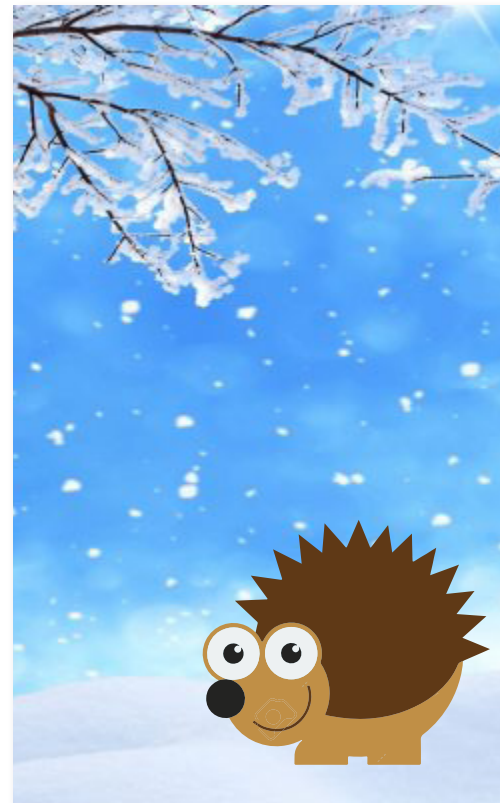

Please continue to read for a minimum of ten minutes a day with your child and practice all the key words in the zippy wallet.

If you have any questions please do not hesitate to ask us.

With many thanks for your continued support.

# Winter Yum! Yum!

## Hedgehog Class Spring Term 2018

# Our Home Learning Challenge

Please choose two of the following challenges to complete at home and hand in to Mrs Donovan or Mrs Smith by Monday 26<sup>th</sup> February 2018.

- Make paper snowflakes.
- Visit library and look for books which feature winter.
- Make up a story about a winter adventure.
- Look for signs of winter: bare trees, frosty mornings, icy puddles, shorter days, winter clothes.
- Talk about favourite foods and why you like them.
- Talk about healthy diets and why it is important to eat a range of foods.
- Plan a picnic. Together make a list of all the things that will be needed. On the day, make sandwiches together & encourage your child to choose the filling.
- Visit library to find stories & rhymes that centre on food. Look out for children's recipe books that your child could enjoy using at home.
- Visit a market or shop to buy fruit to make a fruit salad.

**If you have any questions or queries please don't hesitate to ask us**

**Have fun!**

## What are the opportunities for learning?

- Experiencing handling different materials
- Asking questions, investigating and exploring
- Make up stories and use their imagination
- Recognise seasonal changes
- Become more aware of foods

## We shall enrich our topic by:

- Going on a winter walk
- Holding a pyjama party
- Making Gingerbread Men biscuits
- Visiting Pizza Express in Petersfield (details to follow)
