Dear Parents

Bikeability - Year 6. Monday 6 - Friday 10 March 2017

The Area Safety Officer has kindly arranged to run a Bikeability Course for the Year 6 children. This year, the training will take place the week commencing Monday 6 March. The children will be split into two groups and the training will take place on the school grounds and the local roads. Instruction is given by qualified members of the Road Safety Department. Please read the attached letter and information from Dean Pocock, the Road Safety Officer at West Sussex County Council and **return the consent form (page 4 of Cycle Right magazine) to the School Office as soon as possible.**

The training is dependent on parents being able to transport their children's bicycles to the school on the morning of Monday 6 March. We aim to store the bicycles under lock and key each night but would suggest that each bicycle has its own safety chain for use during the day. The children can leave their bicycles at school for the training period.

This very important training is also dependent on parental support so if you are able to help on one or more of the sessions please let the School Office know (You do not need a bicycle!).

Yours sincerely

Mrs C Inskip
