Dear Parents

New Pedestrian field gate

The safety of the children at the school is of paramount importance. As a school both the Staff and Governing body work hard to ensure the H&S legislation is met for all our pupils including those who have significant additional needs.

Unfortunately some Parents/Carers have begun to climb over the newly installed 'field' gate in full view of the children before the nominated adult has unlocked it. We strive hard to ensure the gate is opened at 8.30am and 3.10pm whilst maintaining the safety of pupils in the school.

The action of a minority of our parents/carer is now, unfortunately, having a detrimental affect on the safety of our pupils. The climbing over by children and their Parents in the morning or the lifting of children over by Parents is not permitted.

Thank you for your support in this matter, as we continue to ensure the safety and wellbeing of our children, whilst meeting health and safety requirements.

Yours Sincerely

Mrs C Inskip
