Bird Box Live Stream

Dear Children, Parents and Carers,

The Eco Warriors have organised a bird box to be put up by Hedgehog Class. We wanted to help the birds so we explored the internet, looked on a couple of websites then we found a bird box with a camera, so if people haven't ever seen birds nesting they could watch it online via the link below. Mrs Phillips received an email from the South Eastern Education Group and a person came to fit the camera last Friday, it took around 3 hours. When we switched it on we were delighted to find out that a blue tit had already discovered the bird box and hopped in to have a look!

Anyone can visit the website to watch the live stream (during school hours) at:

We would like to thank the friends for paying for the bird box and the installation costs.

Kind regards

Georgina
