

- **PE Intent -**

- At Compton Up Marden school we recognise the importance of PE and the role it has to play in promoting long term, healthy lifestyles. The intent of our PE curriculum is to provide all children with high quality PE and sport provision. It is our vision for every pupil to succeed and achieve their potential as well as to lead physically active lifestyles. We strive to inspire our pupils through fun and engaging PE lessons that are enjoyable, challenging and accessible to all. We want our pupils to appreciate the benefits of a healthy and physically active lifestyle. Through our teaching of PE and by using other vehicles for learning we will provide opportunities for pupils to develop values and transferrable life skills such as fairness, respect and determination as well as providing them with opportunities to take part in competitive sport.

- **PE Impact -**

- Children will achieve age related expectations in PE.
- Children will enjoy sport and will seek additional extra-curricular activities both school and external to school related.
- Participation levels in PE will be 100%.
- Children will set personal targets and challenges in PE and note the improvements they make.
