8th September 2017

Dear Parents,

Further to my letter in July, I can now confirm that we completed our discussions with WSCC and finally signed a Recovery Plan to address the deficit in the budget and how this might be managed over the next two years.

Happily, we have maintained the teaching staff that we had budgeted for and the two new classrooms that were delivered and commissioned over the school holidays are now in use. WSCC will want to monitor our progress against the Recovery Plan which will mean a higher presence from their finance team but that won't impact the teaching in the school.

Unfortunately, there is very little in the budget to support any extra activities so we appreciate any parent support in the funding of these.

Finally, over the summer the three-way Licence to cross the field has been signed by Mr Bray, WSCC and me as the Chair of Governors so you should see some work on the construction of the path over the next few weeks. We did everything in our power to get this signed and completed earlier but regrettably this wasn't to be.

Best wishes for the forthcoming school year,

Sarah Hutchinson
Chair of Governors
