Dear Parents,

We have been contacted today by some concerned parents regarding posts appearing on a WhatsApp chat regarding the School and Covid.

All Schools have a clear protocol to adhere to following any confirmed or suspected cases. Each pupil, who may need to isolate, is discussed by the Health Protection agency to establish if they are a close contact. As you can appreciate this takes time and then letters are issued from the DFE to individual families.

Please can I politely request that parents refrain from posting misleading and inaccurate comments which may cause distress, worry or alarm for our School families.

If you have a positive case in your family, and your child has been at School, it is imperative that you let the School know as soon as possible.

Thank you for your continued support and we hope to see all the children at assembly tomorrow morning.

Yours sincerely,

Mrs Claire Inskip
