PARENT AND CHILD - NUMERACY DAY
THURSDAY 24th OCTOBER

Dear Parents

On Thursday 24th October, Compton and Up Marden CE School will be holding our annual 'Parent and Child' Numeracy day. The aim of this day is to keep you informed about the teaching methods and approaches to mathematics within our school and for you or your child's grandparents to come and actively enjoy mathematics.

You are invited to watch and join in a session of mathematics with your child and then have ten minutes afterwards to ask the teacher any general questions you may have about mathematics at School. If you have more than one child in the school and the sessions clash, please spend half the time in each class. If this is the case then please indicate this on your form.

Unfortunately, we are unable to accommodate babies and toddlers, so perhaps it would be possible for some mums and dads to do some child care swaps for part of the day.

Please indicate on the attached form which sessions you would like to watch and return it to the school office by **Tuesday 22nd October** at the latest, this is to allow Staff time to prepare resources for the adults attending. You may find it useful to make a note of the times below.

Yours sincerely
