Dear Parents,

We are very pleased to announce that as from noon today the newly installed electronic front gate will be in operation. This has been a long awaited installation and I would like to take this opportunity to thank you all for your continued support during this process.

The gate will be unlocked between 8.30am and 8.45am and between 3.05pm and 3.20pm to allow parents/carers to access the School for pick up and drop off.

All parents/ carers and visitors coming to school after 8.45am and before 3.05pm will need to press the buzzer and the school office will open the gate for you to **enter** and to **exit**.

The new electronic gate will provide a more robust safeguarding procedure and will ensure all access to the school site is monitored.

Once again, I thank you for your continued support, as we continue to ensure the safety and wellbeing of all our children, whilst also meeting health and safety guidelines.

Yours sincerely,

Mrs Inskip
